

A Word From the Chairperson....

At Awasthi College of Education, we strive to be an educational institution that is relevant to today's environment. This is the sixteenth year of the college, we have tried our level best to equip the institution with modern facilities and provide supportive and caring environment to nurture and cater to the individual learning styles.

The management of college – Awasthi Education Society fully recognizes and understands the importance and value of choosing the college, which will have a significant bearing on your professional and personal development.

Whatever may have been your reasons for deciding to choose Awasthi College of Education, you can be assured that our aim is to provide you with the highest quality learning environment where you will be stimulated and supported in order to achieve your true potential.

With all your support and hard work, I firmly believe that our institution would carve a niche for itself not only in the region but also in the entire state.
