## Eco Club in Awasthi College of Education

The main aim of establishing the Eco Club was to conserve the natural resources and the natural environment to create Eco friendly environment and create awareness of biodiversity conservation and local environmental issues among children and to create a clean and green consciousness among students through various innovative methods.

Eco club plays an important role in creating environmental awareness amongst the future generation. The Main motive of the Eco Club is to nurture and teach the importance of environment to students.

### Our vision

To be the best institution for protecting and creating environment awareness by educating the youth, offering programmes and resources for the students.

### Objectives

- To motivate the students to keep their surroundings green and clean by undertaking plantation of trees.
- To promote culture of conservation of water by minimizing the use of water.
- To maintain cleanliness in and around the campus.
- To educate students to create awareness amongst public and sanitary workers, so as to stop the indiscriminate dumping and burning of waste which causes respiratory diseases.

### Major Activities

- Organize seminars and special lectures on environmental issues in the College.
- Campaign against banned carry bags, use of loud speakers, banned fireworks, filling of water body in the adjacent area, etc.
- Organize rallies, marches, human chains at public places with a view to spread environmental awareness.
- Action based activities like tree plantation, cleanliness drives both within and outside the College campus.

## ECO CLUB

- Beautifying selected road side area, public place like hospital, government offices, place of worship etc. with plants and put campaign boards to generate awareness.
- Plantation program is undertaken at regular intervals through Eco Club in the college premises and also in the premises of certain hospital, government offices, temples and orphanages.
- Removal of waste plants and thorn bushes is done by Eco Club with the help of students from time to time. Students collect scrap materials like plastic and other trash in the college and dump it in an appropriate place.
- The Eco Club of college organized and actively participated in the Swachh Bharat Programme at the Community Health Centre of Dari, Passu village and Dharamshala.
